

# Colonial America 1776

**Directions:**

Use pgs. 96, 102, 107, and 902 of the “American Nation” textbook as well as class notes and internet sources to complete the map. Use the maps of colonization on the class website for help with coloring!

**Labeling**

1. Label **the 13 Colonies** on the front of this map

Massachusetts	Pennsylvania	North Carolina
New Hampshire	New Jersey	South Carolina
New York	Delaware	Georgia
Connecticut	Maryland	
Rhode Island	Virginia	

2. Label the **bodies of water** on the front of this map

The Ohio River	Lake Superior
The Mississippi River	Lake Michigan
The St. Lawrence River	Lake Huron
The Atlantic Ocean	Lake Erie
The Gulf of Mexico	Lake Ontario
	Lake Champlain

**Coloring**

3. **Color each region** a different color. **Color the key** on the front of the map to match.

The New England Colonies  
The Middle Colonies  
The Southern Colonies  
French Territory  
Spanish Territory

**Locating**

3. **Mark the exact location** of each early English colony **with a small star**

Roanoke  
Jamestown  
Plymouth
